Old Business

A. Football CO-OP

The board stated that they want in writing what will be provided (coaches/money). They would like a contract to be made stating that we will always be Panthers, play GRC west, costs be split 3 ways, and they would like to see supervision brought by co-oping schools. They would like to know Winston's plan for music and band.

The board approved the co-op with Winston pending they provide a coach, money, agree that the colors would remain green and white, provide a plan for music/band, agree that the mascot stay as Panthers and play in the GRC west. Woodward made a motion to approve the co-op with Winston as long as they agree to the contract. McCrary seconded. Motion carried 6-0.

Pankau made a motion to remove Gilman City from the co-op as long as Winston accepts the contract. Woodward seconded. Motion carried 6-0.

New Business

A. Streaming Options-

Currently have NFHS and would like to go to HUDL. It would cost \$9,600.00 a year for HUDL but it does stats and things for football and basketball. The board asked if HUDL had options for softball as well as what other options and pricing they had. They would like for that to be looked into before a decision was made.

J. Hulet made a motion to adjourn into executive session to discuss personnel, student matters and legal issues per RSMO Statute 610.021 (3) & (13). Woodward seconded. Motion carried 6-0.
